

Brief Report

Two Days training Programme on “Integrating Organic -Inputs for Long-Term Soil Health and Productivity” 2nd- 3rd of September 2025

Organized by

SKUAST-Kashmir in collaboration with KVK BUDGAM

Under HADP-Project-16

“Alternate System of Agriculture for Sustainability”

Venue: KVK BUDGAM, Haripora Harran.

- As Per Sanction No: AU/DR-HADP-25/1205; Dated, 06-08-2025, 2 days training programme was organised at KVK Budgam on 2nd and 3rd September 2025.
- In this training about 25 progressive farmers and rural youth from organic cluster of villages Qazibagh, Budibagh and Thokerpora of block Budgam were trained.
- The program provided an insight of organic farming and Integration of Organic -Inputs for Long-Term Soil Health and Productivity to the trainees
- The primary objective of the programme was
 - To understand the concept of sustainable agriculture that integrates three main goals: ecological health, economical profitability and social equity.
 - To acquaint farmers regarding the growing demand for organic produce in a health-conscious society.
 - To provide skill to the progressive farmers/Rural Youth regarding production of bio inputs and recycling of resources.
- During the training programme scope of organic farming and production of organic inputs were highlighted. It is pertinent to mention that in our Kashmir valley conditions remote pockets using traditional cultivation methods can easily be converted into organic production.
- During the training programme, several lectures were conducted by the subject matter specialists of different subjects of KVK Budgam. Moreover, practical demonstrations of vermicompost and compost production was carried at the vermicompost unit of the KVK Budgam.

List of Resource Persons/ Lecture Schedule

S.No.	Lecture	Speaker	Timing
Day-1			
1	Scope and importance of organic farming	Dr. Ambreen Nabi KVK Budgam	10:00 AM-11:30 AM
2	Agronomic practices of organic farming	Dr. Sabia Akhter KVK Budgam	11:30 AM-1:00 PM
Lunch			
3	Certification of Organic Produce	Dr. Bilal A. Lone Sr. Scientist & Head KVK Budgam	2:00 PM-3:30 PM
4	Organic inputs for enhancing soil fertility	Dr. Ambreen Nabi KVK Budgam	3:30 PM-5:00 PM
Day-2			
1	Composting and Vermicomposting	Dr. Sabia Akhter KVK Budgam	10:00 AM-11:30 AM
2	Disease management in organic farming	Dr. Shabir A. Ganai (Scientist Plant protection)	11:30 AM-1:00 PM
lunch			
3	Types of concentrated organic manures and their Nutrient concentration	Dr. Kavita Rani (Scientist Animal Science)	2:00 PM-3:30 PM
4	Pest management in organic farming	Dr. Shabir A. Ganai (Scientist Plant protection)	3:30 PM-5:00 PM
