

Title of the Training Programme	Hands on training on wool spinning using Table Top Paddle Operated Charkha for better returns.
Type of the Programme	Skill upgradation Programme
Aim of the Programme	The hands-on training programme aims to impart practical competencies in wool spinning using the Tabletop Paddle Operated Charkha, with a focus on promoting sustainable, and skill-oriented conversion of raw wool into yarn. The programme endeavors to revive traditional spinning practices while reducing drudgery, enhancing self-employment opportunities, and strengthening the rural wool-based economy through effective technology adoption and capacity building.
