

Programme Schedule of

03 days Capacity Building Training Programme on "Good agricultural practices for profitable millet cultivation" (28 to 30 October, 2025)

Training Session Details

Date	Day/time	Particular	Speaker/Resource person
28-10-25 (Tuesday)	Day – 1 (Inaugural Session)		
	09:30 -10:00	Registration	Dr. M Salim, Dr. Ummaisa Rehman
	10:00 – 10:05	Welcome address	Dr. Bashir A. Alie Prof. & Head, Agronomy, FoA, Wadura SKUAST-K
	10:05-10:15	Over view of Training	Dr. Amjad Masood, Assoc. Prof. Agronomy (Course Coordinator)
	10:15-10:25	Introduction of Participants	Participants
	10:25-10:40	Inaugural Address by Chief Guest	Prof. Shakeel Ahmad Mir Dean, FoA, Wadura, SKUAST-K
	10:40-10:45	Vote of Thanks	Dr. Tahir Ahmad Sheikh, Assistant Professor, Division of Agronomy, FoA, SKUAST-K
	10:45 – 11:00 (Tea Break)		
	Technical Session		
	11:00 -12:00	Nutritional benefits of millets	Dr. Raies Ahmad Bhat, Assistant Professor, Division of Agronomy, FoA, SKUAST-K
	12:00 -01:00	Moisture conservation techniques in millet crop production	Dr. Tahir A. Sheikh, Assistant Professor, Division of Agronomy , FoA, SKUAST-K
	1:00 – 2: 00 (Lunch Break)		
29-10-25 (Wednesday)	2:00 – 3:00	Production technology of different millets grown in North-Western Himalayas	Dr. Bashir A. Alie Prof. & Head, Agronomy, FoA, Wadura SKUAST-K
	3:00 – 4:00	Practical demonstration of millets growing at Faculty of Agriculture, Wadura Research Farm	Dr. Mohd Salim Mir Researcher, FoA, Wadura, SKUAST-K
	Day – 2		
	10:30-11:30	Production technology of Finger millet	Dr. Amjad Masood, Assoc. Prof. Agronomy FoA, Wadura
	11:30–11:45 (Tea Break)		
	11:45-1:00	Value addition of millets for better returns	Dr. Lal Singh Professor, Agronomy, FoA, SKUAST-K
	1:00 – 2:00 (Lunch Break)		
	2:00 – 3:15	Post-harvest processing of major millets grown in Kashmir Valley	Dr. Ummaisa Rehman, Researcher, FoA, Wadura, SKUAST-K
	3:15-3:30 (Tea Break)		
	3:30 – 4:30	Nutrient management and role of organic inputs in millet cultivation	Dr. Ashu Sharma, Assistant Professor, Division of Agronomy, FoA, SKUAST-K

30-10-25
(Thursday)

Day - 3

10:30 - 11:15	Role of millets in ensuring Year-round fodder availability under temperate conditions	Dr. Khursheed A. Dar Prof. Agronomy, FoA, Wadura, SKUAST-K
11:15 - 11:30 (Tea Break)		
11:30 -12:15	Promotion of millet cultivation and processing in Kashmir	Dr. Aijaz Nazir, Assistant Professor, Division of Agronomy, FoA, SKUAST-K
12:15 -1:00	Practical demonstration of millet processing unit at Faculty of Agriculture, Wadura, SKUAST-K	Dr. Mohd Salim Mir Researcher, FoA, Wadura, SKUAST-K
1:00 - 2:00 (Lunch)		
2:00 - 2:45	Weed management and resource conservation technologies in millet cultivation	Dr. A. A. Saad Professor, Agronomy, FoA, SKUAST-K
2:45-3:00 (Tea Break)		
3:00-4:30	Valedictory Function	Organizing team

Dr. Amjad Masood
Training Coordinator
